**ADDENDUM NO. 2: PAVEMENT PLUGS AND BASE REPAIRS AT VARIOUS LOCATIONS**

**ISSUED: February 5, 2015**

**Item 1: SECTION C-7: ADJUSTING EXISTING FACILITIES TO GRADE**

Add to the Special Provisions, the following:

The city crews have identified and marked in the field additional utility covers along the following recently paved streets to be excavated, adjusted to finished grade and patch paved the excavated area around each cover.

In addition to the utility covers listed in Section C-10, the following list of additional utility covers shall also be adjusted to grade in accordance with the provisions in Section 15-2.05, "Reconstruction" of the Standard Specifications, of these Special Provisions and as shown on the Plans and City of Antioch Construction Details.

Main Location	Limit	Additional Utility Covers to be Adjusted		
		Valves	Monuments	Rodding Inlet
Bluerock Drive	Deer Valley Road to Lone Tree Way	43	18	2
Granite Cir/Ct.	Bluerock Drive to Bluerock Drive	5	4	2
Deerfield Drive	Hillcrest Avenue to Country Hills Drive	17	14	2
<b>Total</b>		<b>65</b>	<b>36</b>	<b>6</b>

Adjusting the additional utility covers to finish grade including excavating and patch paving shall be considered to be included in the contract lump-sum price paid for adjusting existing facilities to finish grade and shall include full compensation for furnishing all labor, materials, tools, equipment and incidentals, and for doing all the work involved in adjusting these facilities to finish grade, complete in place, as specified in the Standard Specifications and these Special Provisions, and as directed by the Engineer.
